## JOURNEY TO SCHOOL

The apartments are located about 40-50 minutes from school. You can board the 86 bus at 450 Western Ave or Litchfield. From there, there are two options on which train to take: You can get off at Harvard and take the Red Line heading to Ashmont/Braintree and stop at Downtown Crossing and then either walk to school or switch to the Orange Line and get off at State Street. Another alternative is to stay on the 86 bus and get off at Sullivan, then board the Orange Line heading to Forest Hills and stop at State Street.

You may also board a 70 or 70A bus and stop at Central Square, boarding the Red Line heading to Braintree/Ashmont and getting off at Downtown Crossing.

### Getting from Boston Logan

Take the Blue Line from Airport in the direction of Bowdoin and get off at State Street. Here, transfer to the Orange Line in the direction of Oak Grove and get off at Sullivan Square. At Sullivan, board the 86 bus heading to Harvard/Cleveland Circle. Get off at Litchfield. Turn left onto Waverly Street.

Alternatively, you may take Silver Line 1 from the airport to the Red Line at South Station. Here, board a train heading to Alewife and get off at Central Square. At Central, board a 70 or 70A bus and get off at Litchfield.

## ARRIVAL PROCEDURES FOR STUDENTS

Please make sure to follow these instructions; otherwise, we cannot guarantee that the person who will check you in will be at the apartment when you arrive.

If you do not request the transfer service, it is very important that you call the EC Emergency phone en route to the residence so that we can have your most updated arrival time. Also, please let the person on the phone know if you plan on taking a taxi or use public transportation to the apartment. Someone then will be at the apartment in order to check you in.

If you have not provided us with your flight/arrival information, please do so as soon as possible, so that we can arrange for someone to let you in the apartment upon your arrival.

## AIRPORT PICK-UP

If a request for an Airport transfer service has been made, the driver will be waiting, holding a sign with EC and then your name on it at:

- The baggage claim area, if you should arrive via a DOMESTIC flight; OR
- Outside the Immigration & Customs area, if you should arrive via an INTERNATIONAL flight.

If you do not see the transportation representative immediately, please make sure to wait at least 15 minutes before leaving the designated meeting point to call the transfer company emergency number – 1800 609 1402. Even if the representative does not answer, you should still leave a message confirming your location and the agent will find you within a few minutes.

Please make sure to contact the EC Boston if there is any problem or the flight is missed, delayed or cancelled.
